Hot Pepper Jelly

Mild Apricot - mild

Smooth, golden apricots meet a gentle pepper warmth in this delicately balanced jelly.

Hot Apricot - spicy

Golden, sun-kissed apricots bring their smooth, tangy sweetness to the fiery kick of hot peppers in this vibrant and versatile jelly

Raspberry - spicy

Bold, bright, and beautifully balanced – our Raspberry Hot Pepper Jelly delivers a sweet, tart pop of fresh raspberries layered with a bold peppery kick

Blueberry - spicy

Our Blueberry Hot Pepper Jelly delivers a perfect balance of sweet, tart, and spicy – with the rich, earthy flavor of blueberries layered against the slow burn of hot peppers.

Hot Pepper Jelly

Mango - spicy

Sweet meets heat in this bold, tropical twist on a classic condiment.

Mild Strawberry - mild

Ripe, juicy strawberries take center stage in this gently spiced, crowd-pleasing jelly.

Hot Strawberry - spicy

A fiery twist on a classic favorite, our Strawberry Hot Pepper Jelly blends the sweetness of ripe strawberries with the bold heat of hot peppers for a flavor that's as surprising as it is addictive.

Pineapple - spicy

This vibrant jam is a tropical twist with a fiery kick! Made from juicy, sun-ripened pineapples and a bold blend of hot peppers, it strikes a perfect balance between sweet and heat.

Triple Berry - spicy - new in 2026

Slow stirred like the kind your grandma cooked on the stove, this jam starts with plump, fresh blackberries, blueberries and a whisper of raspberries for a bright, berry sweet lift.
